

Accessing your child's class blog

Step 1:

Type 'glow login ' into your search engine (google)

Click 'Glow -Sign In-RM Unify

The page will look like this

You will find your child's username and password details on a sticker inside their reading record.

Type the **username** on the top line

and the **password** on the bottom line

Step 2:

This screen is called the Launchpad. Make sure you are in the school Launchpad. (The house icon). It will say 'Woodside Primary School' if you have clicked the right picture. Click on the tile that

Step 3:

This will be the next screen you will see.

Click on the 'My Sites' button.

Step 4:

This will be the next screen you see.

Click the visit site button for your stage.

Mrs Reilly will also have a science page which you can access. It will appear here. (When it's ready)

You can click the 'follow' star and updates should appear on your

Step 3 page.

Step 5:

Your final screen will be the blog screen for your child's stage. Here you will find (hopefully) all of the information from the stage to help support your child each term.
