How do you apply?

For children who would normally start school this August you can apply from 3 June 2019 to 29 February 2020. We will be taking applications via our freephone helpline on 0800 182 2222, by post or online at mygov.scot/schoolbsg.

You can apply if your child was born between 1 March 2014 and 28 Feb 2015.

Should parents who have deferred entry to August 2020 still apply?

Even if you are deferring entry you should still apply between 3 June 2019 and 29 February 2020. If you wait until after then it will be too late and you will miss out on your payment.

How long after applying will people have to wait to get their payment?

It can take between 14 to 21 days to receive a payment. If we need any more information or supportive evidence to check eligibility it could take longer.

What evidence will be required?

Most people will be able to apply without sending any evidence. This is because we check with the Department for Work and Pensions and HMRC that you are on a qualifying benefit. One of the ways we can check responsibility for a child is by checking if you are on Child Benefit.**

In some cases we will need to ask you to send us more information to process your application.***

**Child Benefit is only checked for evidence of responsibility – you will not get a payment if you don't get one of the other qualifying benefits.
