Parental Engagement Calendar 2026-2027

Please see below this year's calendar of parental engagement events. We have offered many different opportunities to help you to engage with the school to support your child's learning and wellbeing at home.

You will receive a letter about each of these events nearer the time. Unfortunately, at times, dates may need to be changed. If this happens, we will notify you in advance.

We look forward to welcoming you into Woodside and working in partnership with you throughout the school year.

If you have any questions, please do not hesitate to contact the school office.
