

# Woodside Primary Parent Council Newsletter

27th November 2024

Barry, Jonny  
and Ali

We had a massive number of helpers at our Discos. With so many parents there it made such a difference, and almost 400 children had a ball. A massive Thank You!

There has not been a good uptake for raffle prizes from local businesses and a lot of money has been asked from parents already. We do not wish to ask for prizes as well as then purchase tickets. With a healthy balance, we have made the decision to cancel the Christmas Raffle this year.

Christmas cards are due in school by the end of November. We will update when the printers have completed our hundreds of brilliant designs.

After some suggestions of a virtual attendance at the Parent Council meetings. We will set up our next meeting on Teams as well as in person. See you on Wednesday 22nd January at 7pm.
